

## **HONEYMOON SAFARI AND BEACH**

Your first day will be spent in Nairobi relaxing after your flight.

### **NORFOLK HOTEL - 1 night**

An old pioneer hotel which has been the meeting point and the epicentre of Nairobi for many people throughout Kenyan history. The following day take a flight north, hopefully getting a glimpse of Mount Kenya as you pass by on the way to Meru National Park. Meru was made famous by Joy Adamson's novel, Born Free which told the story of Elsa, a lion that she and her husband, George raised and later rehabilitated to the wild. Game drives through this beautiful scenery will often be rewarded with the shy Lesser Kudu or the Grevy Zebra.

### **ELSA'S KOPJE - 3 nights**

This breathtaking lodge is on Mughwango Hill, the site of George Adamson's first camp in Meru and is an ideal beginning to your honeymoon safari. Each cottage has been exquisitely built with natural materials and faces east so you can watch the sunrise from your bed.

From Meru you will take a flight over the Aberdares, the Rift Valley and on, to the plains of the Masai Mara. Each day you will take game drives and immerse yourself in this vast grassland ecosystem teeming with wildlife. An early morning hot air balloon flight over the Mara is the perfect way to start the day.

#### REKERO TENTED CAMP - 4 nights

This is a small luxury camp in the heart of the Mara Game Reserve. It is beautifully furnished and hosted by Gerard and Rainee Beaton and the local Masai. This is a great camp from which to observe the wildebeest migration, with river crossings occurring just in front of the main dining area.

A flight back to Nairobi and the rest of the day spent either relaxing, shopping or going up the Ngong Hills for sundowners.

#### GIRAFFE MANOR – 1 night

A luxurious and beautiful mansion in the lovely, suburbs of Nairobi. It is named for the Rothschild's Giraffe that were brought to the manor for a breeding effort in order to conserve this beautiful and rare subspecies. You can watch the Giraffes from your room or feed them as they inquisitively poke their head through the dining room window.

An early morning flight to Pemba Island off the coast of Zanzibar. Pemba Island is wonderfully remote and an excellent place for diving, snorkelling, fishing and simply relaxing by the Indian Ocean. Pemba is not far from Zanzibar and if you chose you could spend a night or two on Zanzibar as well. Both of these islands are very popular honeymoon destinations.

#### FUNDU LAGOON – 5 nights

A romantic lodge on Pemba Island with airy cottages looking out on to the ocean. The food is excellent and each day a new assortment of seafood is prepared. A perfect way to complete your honeymoon safari.

A flight back to Dar es Salaam or Nairobi for your international flight. See more of our sample itineraries at <http://www.karisia.com>
